Alzheimer's Infusion Study

This is information for those who have family members affected by Alzheimer's Disease. This study involves a monthly infusion of the investigational medicine.

To be eligible, one must:

- Be male or female at least 55 years old
- Carry of diagnosis of mild to moderate Alzheimer's Disease
- Have a reliable caregiver who will attend office visits
- Not have any serious or unstable medical illness

The benefits of participation include:

- Monthly oversight by a physician
- Access to new treatment before it is widely available
- Helping others by contributing to medical research
- Compensation for time and travel

To determine if your loved one is eligible, please contact Millennium Memory Center/Millennium Psychiatric Associates at #314-298-0027.
